

# SMART LIGHT Switch

## Transforming lighting control with intelligent automation

The Sumato Smart Light Switch redefines modern convenience by combining elegant design with cutting-edge smart technology. It enables remote control, voice activation, and real-time scheduling while supporting both Wi-Fi and Zigbee protocols. With seamless integration, energy monitoring, and flexible wiring options, Sumato delivers a powerful solution for smarter, more efficient lighting in any space.

### Key Feature

Remote Control via Tuya App:	Control your lights from anywhere using your smartphone.
Voice Control Support:	Compatible with Amazon Alexa and Google Assistant for hands-free lighting control.
Available in Multiple Gang Options:	Choose from 1-Gang, 2-Gang, 3-Gang, or 4-Gang configurations.
Wiring Flexibility:	Supports both Single L Line and Neutral + L Line wiring setups – ideal for new or retrofit installations.
2-Way Switching Support:	Integrates seamlessly with non-smart slave switches using the Smart Master switch.
Premium Color Finishes	Elegant surface options: White, Black, Golden, Brushed Gold, Brushed Silver, Mirror Gold, Mirror Rose Gold, Dark Green
Smart Automation:	Schedule lighting, create scenes, and monitor energy usage for efficient consumption.
